

August 2022 – Mr. Tony Au is qualified to practise law in the Greater Bay Area

Dear clients and colleagues,

I am pleased to report that I have obtained my People's Republic of China Lawyer's License (Guangdong-Hong Kong-Macao Greater Bay Area) (date of issue: 29 August 2022) for my practice in the Greater Bay Area with China Commercial Law Firm (廣東華商律師事務所)*. Being qualified to practice law in the Greater Bay Area in addition to my Hong Kong SAR qualification enables me to handle Hong Kong, Mainland and foreign-related legal matters more efficiently. I look forward to becoming part of the success stories of many more clients.

Tony Au
